I. ABHYUDAYA NGO, BENGALURU: Abhyudaya, an education project for socially deprived children conducted an interactive session for students on January 4, 2020 at Bengaluru with Capt. Manivannan IAS (Secretary- Labour department, Secretary-Information and Public relation, Government of Karnataka). 200 students from Abhyudaya's free learning centre attended the program that began with the reading of the Preamble to make all students aware about the Citizens' duties. Capt. Manivannan explained the preamble of the country in very simple terms. Each and every word of the preamble was explained in detail in a way any students could understand. He explained how constitution is framed and importance of voting. He also explained the importance of the Constitution for the national development and to maintain harmony among people. Finally, the session concluded with a question and answer session. The questions asked by the students were really thought provoking ones. This was the moment where Capt. Manivanna felt very happy after hearing thoughtful questions from the young students; he also delightfully answered all the questions.

SSLC coaching **Valedictory function**. **Sri Suresh Kumar - Honorable Minister** of Primary & Secondary Education and Sakala – Government of Karnataka presided over the function. The Minister motivated students by citing few examples. One of which is how Anjanappa, son of a coolie - went on to secure 91% in SSLC examination. This boy secured 131st rank in Common Entrance Test (CET) and 91st Rank in Joint Entrance Exam (JEE). He is now studying in IIT, Mumbai. He advised students to do FOUR tasks until exams are over – Exams are like "Vrata". Students have to celebrate this as festivals and discuss only about exams. Distance yourself from TV/Mobile [Humorously mentioned about a short movie – Selfie Mummy, Google Daddy, Makkala Kathe kelbedi . Maintain Good health and Control on eatables. Put tension/ fear in a box. The Minister also stressed on Giving back and appreciated students who wish to become volunteers at Abhyudaya. **Sri Ashok Pamidi, CEO NASSCOM Foundation**, provided insights on options available after SSLC. Our city Bengaluru is not only a Silicon-valley of the country, but also a hub for Start-ups, one can even explore an opportunity to setup startups. He cited an example of a girl, who even without completing high-school education, started her own Boutique through Skill training in tailoring. She has now created jobs for 3-4 girls. He urged students, be it boys or girls, to work and not sit back at home. Noted Educationist, Sri Sameer Simha, was also present.
